

Public Safety Notification System

CODERED®
KEEPING RESIDENTS INFORMED

CodeRED® is a voice message system that may be used to alert residents about local criminal activity, homeland security issues, weather emergencies, missing children or adults, evacuation orders, and other situations that require immediate dissemination of crucial information.

Register or update your information online at the

CodeRED® website for Hernando County:

<https://public.coderedweb.com/cne/en-US/005CCBD51FB3>

If you are unable to register online, please call Hernando County Emergency Management at **352-754-4083**
